

Community Notice re: COVID-19

In preparation for the anticipated COVID vaccination rollout QHS would like to notify community members:

- Vaccination clinics are yet to be announced.
- Once dates and venues have been announced, community members can book appointments through QHS.
- After the administration of the initial vaccine, it is recommended that clients return for a follow-up vaccination 35 days later. This second appointment will also be a booked appointment.
- Priority will be given to Indigenous elders over 65 years of age, followed by all other Indigenous peoples over the age of 18.
- The vaccine has not yet been approved for individuals under the age of 16.
- All COVID safety measures will be in place including hand sanitizer/hand washing stations and enhanced cleaning and sanitization. Appropriate social distancing will be followed.
